

BioPawPet

Compostable Dog Poop Bags Spec Sheet

PLA + PBAT + corn starch bags for B2B retail, ecommerce, and private-label buyers. Pricing is quoted by specification, packaging, and order volume.

Core formats

Bag type	Size	Thickness options	Packing	Material	Customization
Flat bag	23 x 33cm	15um / 18um / 20um	15pcs/roll, 200rolls/ctn	PBAT + PLA + corn starch	Color, 1-color printing, retail pack, carton layout
T-shirt bag	24 x 36cm	15um / 18um / 20um	15pcs/roll, 200rolls/ctn	PBAT + PLA + corn starch	Color, 1-color printing, retail pack, carton layout

Recommended channel fit

Version	Best-fit buyer	Positioning note
15um	Budget refill, public area, high-volume daily use	Keeps cost controlled for price-sensitive channels
18um	Mainstream retail, Amazon, Shopify, trial orders	Balanced hand feel and landed-cost control
20um	Pet boutiques, premium private label, gift bundles	Stronger hand feel and better shelf story

Notes: This spec sheet is for product review only and does not include pricing. Final specifications, packaging, certificates, and MOQ should be confirmed before production. Contact: hello@biopawpet.com | WhatsApp: +86 156 9172 3672
